Headline:
Dry with sunny spells in east, west clouding over,.

Today:
A sunny start for most. Cloud increasing from the southwest, perhaps bringing a few spots of rain to Stirlingshire. The east staying mostly bright with some sunny intervals especially in Angus though patchy coastal haar is possible. Maximum temperature 17 deg C (63 deg F).

Tonight:
A dry evening with some sunshine to end the day. Coastal haar edging inland across Fife and Angus tonight, reaching Perth later. Minimum temperature 9 deg C (48 deg F).

Saturday:
Haar burning back to the coastal strip with some bright or sunny intervals, though cloud may increase enough inland for the odd light shower. Warm, but coasts cooler. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
A fine dry and warm spell of weather with some sunny periods. Still the chance of patchy haar around eastern coasts.
